Dear Sir/Madam,

I oppose the ROCKY HILL COAL PROJECT – APPLICATION NO. SSD-5156.

The proposed ROCKY HILL COAL project is environmentally extremely irresponsible, is located far too close to the township of Gloucester, will seriously affect the tourism industry in the area, and have an adverse long term effect upon agriculture and the rural lifestyle in the region.

The 'CLEAN/GREEN' reputation of this area to farmers, residents and tourists will, in the long term, be of far greater value to all than an open cut mine is ever going to be.

SHORT TERM GAIN = LONG TERM PAIN !! In twenty years' time, we here in this area, will be left with the result of your wrong decision.

I STRONGLY ADVISE THAT THE NSW GOVERNMENT DOES NOT APPROVE THIS MINE.

Yours sincerely,

(Mrs.) Roslyn McIntyre.
