## ROCKY HILL OR BUST

Church Street is deftly quite not a soul is on the street  
Local business's shut their doors, their bills they cannot meet  
The dole queue stretches from Taree town back to the Mograni  
And the woman so bereft, tears are in their eye

The men will work at anything taking peanuts for their labour  
Whilst the well healed polish their halos-doing no one a favour  
The children cannot understand, why the school has shut  
And grandfather has gone bush-out to a timber getters hut

Then out there on the horizon there appears to be a light  
Just behind Maslin's dairy a tad off to the right  
They call the place Rocky Hill-there's black gold in the ground  
And a bunch of brave investors want to fix up Gloucester town

They are offering local jobs-peoples lives are at stake  
Gloucester needs to grab this gift before it is too late  
Get behind this enterprise- don't allow Gloucester to go bust  
Look within, search your soul and in Rocky Hill put your trust
