Project No.: SSD 5156

Dear Sir/Madam

I support the Rocky Hill Coal Project going ahead because it will:

- Stimulate the economy in Gloucester and provide employment for a rural town that is struggling.
- It will help employ youth of the area and keep people in rural towns so they will not have to leave to seek work.
- It will stimulate local business and suppliers.
- The project will also inject funds into local Council

I have not made any reportable political donations in the past two years

Yours sincerely,

.....
CRAIG SHAWES.
