Dear Sir/Madam

I support the Rocky Hill Coal Project going ahead because it will:

- Generate much needed employment in the local area.
- Provide opportunity for local small business to prosper, and also increase workforce.
- Create minimal disturbance due to it's location and ownership of neighbouring land, and also the use of strathford CHL and Rail loop
- Encourage young WORKING families to the district

I ~~have~~ have not made any reportable political donations in the past two years

Yours sincerely

FRANK COMPTON / Director CalCo Surveyors
