**Project Name: Rocky Hill Coal Project**  
**Project No.: SSD 5156**

Dear Sir/Madam

I support the Rocky Hill Coal Project going ahead because it will:

The planned mine will not be visible & will not impact on tourism any more than the existing stratford & Duralie operations, each of which has been acknowledged to have had no impact.

I have not made any reportable political donations in the past two years

Yours sincerely,
