Dear Sir/Madam

I support the Rocky Hill Coal Project going ahead because it will:

be a necessity for this little town to survive as it is now ~~just~~. We need more jobs and the Rocky Hill project has promised to provide 75 local jobs plus other positions filled from outsiders. We need more working families in town. At present there are so many unemployed. This doesn't help my business or anyone else's. I am a local hairdresser and am noticing the spin off effect from Durahie cutting their workforce. No jobs means no money to be spent in town.

I ~~have~~/have not made any reportable political donations in the past two years

Yours sincerely

Nicole Durbidge
