Dear Sir/Madam

I support the Rocky Hill Coal Project going ahead because it will:

As a student of Gloucester High School I would love the opportunity to remain in this town & gain employment. At this stage there is no opportunities for young people. If Rocky Hill is approved I may have an option to stay and apply for an apprenticeship. We need more jobs and this leads to other shops in town being able to stay open. Please listen to us locals that want to work.

I ~~have~~/have not made any reportable political donations in the past two years

Yours sincerely
