Dear Sir/Madam

I support the Rocky Hill Coal Project going ahead because it will: SUPPORT OUR TOWN AND  
CREATE JOBS for our youth that are leaving our area for  
other work. I have attended your meeting to explain  
the process of your works programme for your mine  
and see no problem with it going ahead.

I have family who had to move away through  
lack of jobs not available in the past, and  
would like to be able to return to his home town  
through your 2 job opportunities

I ~~have~~/have not made any reportable political donations in the past two years

Yours sincerely
