Dear Sir/Madam

I support the Rocky Hill Coal Project going ahead because it will:

I believe it will bring badly needed employment & keep families in Gloucester. We do not need to turn Gloucester into a ghost town it is slowly becoming since we (Council & Greens) (same thing) managed to make the gas unwelcome. Tourism is not going to keep our youth employed in Gloucester & it is dying a slow death. Ask any business in Gloucester.

Not many years ago we had:

- 1) A Dairy & Powder Milk Factory
- 2) 5 Garages selling new vehicles
- 3) 4 Big Banks
- 5) Timber Mills

Just to mention a few. Are we going backwards or not? Gloucester has always been known as a Beautiful Area the Tourism Committee cannot take the credit for that, they seem to have invented the area. I worked at a tourist resort & know how it was struggling to keep going. Tourism is not the answer. We have had the answer with mines & gas.

~~I have~~ have not made any reportable political donations in the past two years

Yours sincerely
