Dear Sir/Madam

I support the Rocky Hill Coal Project going ahead because:

We need to keep the town from
going backwards. They need work
and the young men won't have
to go away to work. We need
to keep our school going and
also the hospital open. and we
rely on the donations from the
mines

I have / have not made any reportable political donations in the past two years (please circle one)

Yours sincerely,
