Hi David,

Thank you for forwarding the above proposal to the Office of Environment and Heritage (OEH) for consideration.

After reviewing the relevant documents, OEH's Greater Sydney Planning Team has concluded that the matter does not contain biodiversity, natural hazards or Aboriginal cultural heritage issues that require a formal OEH response. We have no further need to be involved in the assessment of this project.

Kind regards,
Dana

Hi Susan,

Please note the below email and attachment(s) for your action and registration in TRIM.

Should you have any questions about this email, please reply to the officer who sent you the email, as replying to the Planning Matters Mailbox will mean that the EPA also receives a copy of your email.

Kind regards,

Elpiniki
