Re: Redevelopment of UNSW Cliffbrook Campus

Application No. SSD 8126

We have an objection to the proposal.

The objection is on the basis of insufficient parking.

There will be the construction of 52 accommodation rooms, of which 50 will be for students.

There will be the provision of 37 parking spaces allocated to the staff. No parking is provided for the 50 students.

Parking in Coogee is extremely difficult for local residents. This will create a huge demand for already limited street parking.

We have no political donations to disclose.
