To Whom It May Concern

**Subject: Redevelopment of UNSW Cliffbrook Campus**  
**Application No. SSD 8126**

I am a resident of Beach Street, Coogee, and I would like to object to this proposal. The objection is on the basis of insufficient parking in the area.

There will be the construction of 52 accommodation rooms, of which 50 will be for students.  
There will be the provision of 37 parking spaces allocated to staff and no parking for the students.

Parking in Coogee is already extremely difficult for local residents. This will create a huge demand for already limited street parking.

I have no political donations to disclose.

Yours sincerely,

NINA MAVRIS
