Attention: Necola Chisholm

Dear Ms Chisholm,

I refer to your letter of the 6th September seeking input from the Environment Protection Authority (EPA) regarding the Environmental Impact Statement (EIS) for the Four Points by Sheraton Hotel expansion. Please note that the EPA and the Office of Environment and Heritage (OEH) are now separate agencies. OEH, including its Heritage Branch, may provide comment separately.

The EPA has reviewed the relevant documents and does not have any regulatory responsibilities in relation to this matter and has no comment to provide on this proposal.

For further information on environmental issues please visit the EPA website at www.environment.nsw.gov.au

If you have any queries regarding this matter please contact Natalie Middleton on 9995 6809.

Yours sincerely
