Dear Mr Zhang

Gazcorp Industrial Estate MOD 2 (SSD-5248)

Thank you for your Major Project Portal referral dated 10 May 2022, inviting WaterNSW to comment on modification 2 of SSD-5248. WaterNSW understands the modification seeks approval for a revised layout consistent with a separate SSD application for a DHL warehouse and distribution centre (SSD-36156297) and to raise the height control limit for the new DHL warehouse (Lot 11) from 14m to 15m.

WaterNSW has reviewed the exhibited documents and has no specific comments to make on this modification application. We will provide supplementary conditions separately as they relate to SSD-36156297.

WaterNSW requests the Department continue to consult with us on proposals that have the potential to impact on WaterNSW land, assets and infrastructure. All correspondence should be sent using the email address Environmental.Assessments@watarnsw.com.au.

If you have any questions regarding this letter, please contact Justine Clarke at justine.clarke@watarnsw.com.au.

Yours sincerely
