Dear Mr Gibson

RE: Arthur Philip High School and Parramatta Public School, Parramatta (SSD 7237)  
Notice of Exhibition

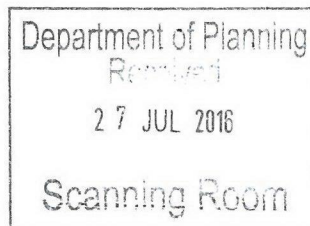

I refer to your correspondence dated 13 May 2016 regarding a development application (DA) for the development of the Arthur Philip High School and Parramatta Public School at 175 and 80-100 Macquarie Street, Parramatta.

A review of the application has been made and from a Police point of view there will be no objections to the development. However, it is suggested high quality CCTV should be installed throughout the development for safety and for the detection of criminal offences.

I apologise for the late response.

Yours faithfully
