Dear Director,

Submission: Australian Technology Park Redevelopment (SSD 15_7317)

I wish to make a submission on the Environmental Impact Statement provided by Mirvac for the redevelopment of Australian Technology Park. I am concerned about damage to the nationally significant heritage, the transport implications, poor public access, commercialisation of public space, and impact on local residents.

I object to this ATP Proposal. It is making Alexandria a high density zone with no infrastructure or services to support this. It is personally going to impact me in a negative way.

Yours sincerely,

Deepak Khuller
