Dear Director,

**Submission: Australian Technology Park Redevelopment (SSD 15\_7317)**

I wish to make a submission on the Environmental Impact Statement provided by Mirvac for the redevelopment of Australian Technology Park. I am concerned about damage to the nationally significant heritage, the transport implications, poor public access, commercialisation of public space, and impact on local residents.

Save the ATP to preserve heritage and use the space for high speed rail in the future.

Yours sincerely,

Andrew Chuter
