Dear Director,

Submission: Australian Technology Park Redevelopment (SSD 15_7317)

I wish to make a submission on the Environmental Impact Statement provided by Mirvac for the redevelopment of Australian Technology Park. I am concerned about damage to the nationally significant heritage, the transport implications, poor public access, commercialisation of public space, and impact on local residents.

We have so little real open space which is freely available to the public, and we can ill afford to lose any, especially an area as unique and historic as this area.

Yours sincerely,

Alison Kelleher
