Dear Director,

Submission: Australian Technology Park Redevelopment (SSD 15_7317)

I wish to make a submission on the Environmental Impact Statement provided by Mirvac for the redevelopment of Australian Technology Park. I am concerned about damage to the nationally significant heritage, the transport implications, poor public access, commercialisation of public space, and impact on local residents.

The proposal does not improve the amenity of this local community and detracts from the heritage and cultural values which the site offers at present.

Yours sincerely,

Ms Ifeanna Tooth
