Dear Director,

Submission: Australian Technology Park Redevelopment (SSD 15_7317)

I wish to make a submission on the Environmental Impact Statement provided by Mirvac for the redevelopment of Australian Technology Park. I am concerned about damage to the nationally significant heritage, the transport implications, poor public access, commercialisation of public space, and impact on local residents.

I would like to see a pedestrian/bicycle bridge link to Darlington from ATP. And public access to parks, gym, community centres, public carpark even if its paid parking.

Yours sincerely,

John Wissemann
