Subject: RE: Redevelopment of the Australian Technology Park SSD 7317

Good Morning Matthew,

I refer to Department's email below regarding the Response to Submissions (RtS) for the Australian Technology Park Application.

Roads and Maritime has reviewed the RtS and notes that all Roads and Maritime's requirements raised in the letter dated 14 April 2016 have been addressed.

Furthermore, it is understood that TfNSW has requested for a Construction Traffic Management Plan for this development.

Roads and Maritime has no further requirements for this development.

If you like to discuss this matter further, please call me on [REDACTED]
