Dear Sir,

In relation to the route the H'way Upgrade is taking through Broadwater + Wardell Heath is going through sensitive animal habitat + I believe it will cause loss of habitat, + destruction + loss of animal lives.

We do not have a great deal of animal habitat left in Broadwater + Wardell + this H'way Upgrade ^(sect. 10 + 11) will disturb + destroy most of these areas. esp. going through Bundalong Nat. Park, the Wardell Heath + Meridan Heights it seems to me illogical to use these areas esp. with the cost of bridges as well.

I wholeheartedly disagree with the route this H'way is taking through the Palm Nursery, Maloney's Honey Farm + the Byrnes Cane Farm. (+ am not alone in this opinion) + am really concerned about the lives of the animals in this area esp. Koala's, wallaby's, possums, gliders + bird life. I believe it to be unnecessary wanton destruction of sensitive habitat.

Yours

B Hailes.
