SUBMISSION ILUKA TO WOODBURN,
SECTION 5 - ILUKA ROAD INTERCHANGE

AS DISCUSSED WITH PERSONEL AT HARWOOD MEETING
YESTERDAY MONDAY 11-02-13, RE "NOISE"

OUR PROPERTY IS ASSESSED BY BANANA RD AND
WE RECEIVE A UNUSUAL TRAFFIC NOISE FROM
THE HIGHWAY - BEING, WE HAVE A LARGE HILL
TO THE N.E. AND ANOTHER HILL TO THE WEST,
THE TRAFFIC NOISE MAINLY FROM WIND N, NE, EAST.
USUALLY ALL SUMMER SEEMS TO BOUNCE BACK
FROM THESE HILLS MAKING NOISE FROM BOTH
DIRECTIONS ESPECIALLY AT NIGHT, EVEN THOUGH
WE UNDERSTAND WE ARE OVER THE 600METER
LIMIT - BUT IT SOUNDS AS IF YOU HAVE A
TRUCK ABOUT TO COME THRU THE BEDROOM, FROM
THE FRONT AND BACK OF THE HOUSE!

I UNDERSTAND IT'S A BIG ASK BUT WOULD APPRECIATE
IF THIS PROBLEM COULD BE ADDRESSED IN SOME WAY.
THERE ARE FOUR HOUSES AND 17 PEOPLE (9 CHILDREN)
WHO LIVE ON BANANA ROAD, AND 12 VEHICLES.

① WE SUPPORT THE PROJECT.

② WE ARE VERY HAPPY WITH THE
PLAN OF ILUKA ROAD INTERCHANGE
AT BANANA ROAD.

③ NO PROBLEM WITH NOISE DURING CONSTRUCTION.

REGARDS

Ron & Virginia Moore.
