Subject: Proposed Highway Glenugie

To Whom it may concern,

My name is Deborah Whitley and I live at 22 Aerodrome rd, Glenugie, nsw.

I, m going to be 750mts from the new highway. I would like to be considered for noise monitoring.

I already hear the existing highway and more so since the new dual road at Glenugie. My concerns are because the proposed highway will be behind me, 750mts,. Eight Mile Lane will become an overpass so noise from it will not be filtered by the trees anymore.

The old highway is 1klm west, knowing the old highway will have less traffic it won't be as loud. But the combination of three road ways in a short distance, with the elevation Eight Mile Lane means i'll be surrounded by traffic noise. At present most traffic noise is sth west and I, m able to be in the backyard with little noise. With the proposed highway I, ll have traffic behind me beside me and in front of me.

I understand that I, m out of the 600mts buffer zone, but please consider my concerns.

Thanking you
Deborah Whitley
