Carolyn McNally
Secretary
Department of Planning and Environment

Dear Madam

SSD-17_8596 Wollongong Uni Arts and Science building

This Neighbourhood Forum has been set up by Wollongong City Council to reflect and advise on community concerns and aspirations.

At its meeting on 6th December the Forum resolved to support this proposal subject to funds being made available (either by way of S.94A or a Voluntary Planning Agreement) for footpaths and cycleways serving primarily the University.

Yours faithfully

David Winterbottom
Secretary
