Dear Sir/Madam,

Notice of Exhibition - Arts and Social Sciences Building, University of Wollongong

Reference is made to correspondence dated 13 November 2017 seeking comments on the State Significant Development Application and Environmental Impact Statement (EIS) prepared in relation to the above site in accordance with the *Environmental Planning and Assessment Act 1979*.

The New South Wales Rural Fire Service (NSW RFS) has reviewed the information provided and advises that it has no objection to the proposal subject to compliance with the recommendations of the bush fire report prepared as part of the EIS. This should include ongoing management in the 'Managed Riparian Area' shown in 'Figure 1: Bushfire hazard assessment' to outer protection area standards as set out in section 4.1.3 and Appendix 5 of *Planning for Bush Fire Protection 2006* and the NSW Rural Fire Service's document *Standards for asset protection zones*.

If you have any queries regarding this advice, please contact Development Assessment and Planning on 1300 NSW RFS.

Yours sincerely,

Nika Fomin
