Hi Necola,

Thanks very much for the reminder. I had sent it off to our Electrical Planners and they had responded. I just hadn't forwarded the response on

Endeavour Energy has no objection to the proposal.

The Developer must make application for electricity supply to their development via Endeavour Energy's Network Connections Branch.

Regards Pat

Dear Ms Woodbury,

Please find attached notification for SSA 7155 MOD 1 Prestons Industrial estate. I have attached the SEE and plans, however, for the approved plans, please refer to the link provided in the letter, as these files are too large to include in the email.

Comments are due back to the Department by Thursday 15 September 2016.

Many thanks
