Attention: Genevieve Seed

SSD 5144, MANDALONG MINE MOD 4, KERRY ANDERSON DRIVE, MANDALONG

Reference is made to the Department's email sent on 2 December 2016, regarding the abovementioned application which was referred to Roads and Maritime Services (Roads and Maritime) for comment.

Roads and Maritime understands the development to be for the extension of Longwall Panels 22 and 23, and extraction of approximately 1.4 million tonnes of additional coal from the extended panels. It is understood that the extra coal to be extracted from the site will not increase the annual extraction limit.

Roads and Maritime response

Roads and Maritime has reviewed the information provided and raises no objection to or requirements for the proposed development as it is considered there will be no significant impact on the nearby classified (State) road network.

Advice to the Department

Roads and Maritime recommends that the following matters should be considered by Council in determining this development:

- Roads and Maritime has no proposal that requires any part of the property.

On determination of this matter, please forward a copy of the Notice of Determination to Roads and Maritime for record and / or action purposes. Should you require further information please contact Hunter Land Use on 4924 0688 or by email at development.hunter@rms.nsw.gov.au
