Dear Sir/Madam,

**SECTION 96 MODIFICATION – STAGE 1 WESTERN SYDNEY STADIUM  
11-13 O'CONNELL STREET, PARRAMATTA**

Reference is made to the department's email dated 7 February 2017, regarding the abovementioned Section 96 Application which was referred to Roads and Maritime Services (Roads and Maritime) for comment in accordance with the State Environmental Planning Policy (Infrastructure) 2007.

Roads and Maritime has reviewed the submitted Section 96 modification and notes that the excavation and piling works will not increase the volume of traffic entering or exiting the site given all earthworks are being retained on site. In this regard, Roads and Maritime raises no objections to the proposed modifications.

Should the Construction Traffic Management Plan require amendment, this will be required to be forwarded to Roads and Maritime for review and approval.

Should you have any further inquiries in relation to this matter, please do not hesitate to contact Hans Pilly Mootanah on telephone 8849 2076 or by email at [development.sydney@rms.nsw.gov.au](mailto:development.sydney@rms.nsw.gov.au)

Yours sincerely,
