RE. Planning Officer.

RE. CURRAWARRA Solar Farm. NO S.S.D. 8437.

as an adjacent property owner I object
to this proposed development.

- ① This project is a desecration of Prime Farming Land
- ② as MAJOR development as a Farm have been carried out This new project is a waste
- ③ in past years this property has produced large turnover of livestock & Grain etc
so it is a disgrace to put it under ~~at~~ glass of doubtful value.
- ④ I cannot see that MAYRUNG district will get any long term benefit if this project proceeds.
- ⑤ Possibly a DEVALUE of my property.

Yours Faithfully
