Dear Ms Hawkeswood

SSD 7487- WHITE ROCK SOLAR FARM

Reference is made to the proposed White Rock Solar Farm project which is on exhibition from 22 March 2016 to 26 April 2016.

Council notes that the project is primarily located within the Glenn Innes Local Government Area with the exception of approximately 200m of vehicular access.

After reviewing the application documents and discussions with Department of Planning and Environment Staff, Council is satisfied that combined, the referral of the application to various specialised departments and the Department's internal assessment, will result in a comprehensive assessment of potential impacts.

Should you have any queries or require further clarification please contact me on 0425271633.

Yours faithfully

ANTHONY ALLISTON
