re: WestConnex M4 East EIS (SSI 6307)

I live in The Ranch Conservation Area (The Ranch) in Ashfield, which is at the eastern end of the M4 East. The Ranch is an Ashfield Municipal Council designated area made up of Page Avenue, Earle Avenue and Henry Street.

I object to the construction of the Westconnex project. I would like money spent on public transport not more roads. Furthermore the negative health and environmental effects of this tunnel are considerable.
