Subject: SSI-5414

Dear Sir / Madam,

I write to object to the proposed EIS2 for the North West Rail Link.

The North West Rail Link, under the current proposed format, will cause great inconvenience for Beecroft and Cheltenham residents who need to travel to the city to work. It will increase significantly our traveling time.

The North West Rail Link should not be a metro line. The distance is far too long for metro style transport.

Regards,

Chi Pang Chan
6 Timbertop Way, Beecroft 2119
