

North West Rail Link
Submission Form
Name:

PCU012313

Larry & Mouna Nilsson(directors)
LMN Fuels Pty Ltd
Lot1/DP124519
552-554 Pennant Hills Road
West Pennant Hills 2125.
(7-Eleven Service Station)

Comments:

*A large section of our property below the ground is located in the North West Rail Link's underground corridor, our concerns apply to underground fuel tanks and pipelines in the event of any damage occurring and therefore causing leakage into the environment-EPA issue.

*Vibration whilst boring into the rock strata below, what effects it will have on the surface of the overlying soil.

*Time frame that North West Rail will Accept liability For any structural damage caused and hence ground contamination. EPA issue.
