re: Tunnelling for North West Rail Link

With regards to the Resumption of Underground Land for tunneling for northwest rail link, I am writing to formally inform you that:

1. I am firmly opposed to the idea of having the area under [REDACTED] Epping NSW 2121 to become part of the North West Rail Link's underground tunnel. I will do whatever I can to make sure that this does **not** happen to my property. Please leave my property alone and not tunnel beneath my house.
2. Based on my culture and religious beliefs, it is really bad luck and bad fengshui to have some authorities creating a tunnel beneath my house. This is definitely going to impact severely on my psychological well-being, leading to physical illness.
3. No matter what, this kind of construction project will definitely affect the quality of the soil. The air quality will also be affected.
4. In the event that the tunnel is sabotaged or destroyed for any unforeseen reasons, the houses and the foundation of these houses above the tunnel will be affected.

5. I have not made any political donations in the last 2 years.
6. I do not want my name made available to the proponent or on the departmental website.

Thank you

Yours faithfully
