Attention Director
Infrastructure Projects
Department Planning

Dear Sir/Madam

"Proposed North West Rail link"

Re (551-5414)

The conjecture and bante that has taken place. Is only pin money concerning this project. Better to cut losses, start living in the twenty first Century. Western Sydney needs a cosmetic Air port. Castle Hill Show ground, ~~Local~~ Council chambers could accommodate sufficient area. Craft taking off vertically latest scram jet Hydrogen oxygen fuel cell. No need for expensive long run ways, Infrastructure. All this including Sky carriage proposal 10.11.2012. Well under Nine billion dollar price tag Saving resources, creating opportunities tourism local jobs.

Kind Regards

Matthew Allen
