re: Tunnelling for North West Rail Link

With regards to the Resumption of Underground Land for tunneling for northwest rail link, I am writing to formally inform you that:

1. I am firmly opposed to the idea of having the area under address 36 Barombah Road, Epping NSW 2121 to become part of the North West Rail Link's underground tunnel. I will do whatever I can to make sure that this does **not** happen to my property. Please do not create

an underground tunnel under my property.

2. Based on my culture and religious beliefs, it is really bad luck and bad fengshui to have tunneling beneath my house. This will definitely impact severely on my psychological well being, leading to physical illness.
3. No matter what, this kind of construction project will definitely affect the quality of the soil. The air quality will also be affected.
4. The price of the property will also be severely affected.
5. In the event that the tunnel is sabotaged or destroyed for any unforeseen reasons, the houses and the foundation of these houses above the tunnel will be affected.
6. I have not made any political donations in the last 2 years.

Thank you

Yours faithfully,

Willie Wong & Becky Wong
