DEPT of Planning & Environment,

DEAR SIR,

WE ARE NOT IN FAVOUR OF THE PROPOSED
SOLAR FARM ON TALLAGANDRA LN, CUNDAROO.
OUR REASONS ARE

THIS AREA IS NOT IN ANY RENEWABLE ENERGY
ZONES IDENTIFIED BY NSW GOVT.

YASS VALLEY COUNCIL HAS VOTED TO OPPOSE ANY
FURTHER WIND FARM DEVELOPMENTS,
WE WOULD EXPECT THEM TO OPPOSE THIS
LARGE SCALE SOLAR FARM

THE SOLAR FARM WOULD BE A NEGATIVE
VISUAL SITE FOR TOURISTS

THIS PROPOSED SOLAR FARM IS AFFECTING
WELLBEING AND CAUSING TENSION IN THE AREA.

UP TO 75 HEAVY VEHICLES ARE EXPECTED DURING
CONSTRUCTION ON OUR MAINLY GRAVEL ROAD

WITH NO PLANS TO UPGRADE OUR ROAD.

THIS ROAD IS SEVERELY IMPACTED FROM A
MUCH SMALLER AMOUNT OF TRUCKS CURRENTLY.

Yours sincerely

CHARLES & DOREEN MUMBERSON
