This is a submission to the Berrima Rail Project EIS. SSD7171

I object to this project and recommend that it be rejected.

*The time the railway crossing each day,
are closed as a result of the Hume local
proposal will affect the time emergency
vehicles are able to reach their
destination.*

*Schools and villages along the railway
track will be affect by noise and dust.
All of this is not acceptable in the
quietness and fresh^{air} area of the
Berrima Highlands.*

I ask the Government to reject this project
