Submission in Support of The Hume Coal Project (7172) & The Berrima Rail Project (7171)

Date 24-6-2017
Name Tim PARKS 
Address 46 Southey St, Mittagong 2575

I am in favour of the Hume Coal project, as it will employ local people and uses local Suppliers and Business for most of the mine's needs.

The mine uses a low impact design on the environment. The mine uses trains rather than trucks and I think that these are all pluses for the project to go ahead.
