This is a submission to the Berrima Rail Project EIS. SSD7171

I object to this project and recommend that it be rejected.

I am a resident of Berrima and have enjoyed the Southern Highlands environment and life style for the past 17 years and strongly object to the proposed rail link to transport coal from Berrima to Port Kembla. The main concerns to me are

1. Traffic delays on rail crossings
2. Noise pollution generated by the frequency of each coal train.
3. Dust and air pollution generated by the coal trucks, leakage and spillage of the dust from coal.
4. Emergency vehicles will be restricted to attend accidents or fires which will leave the welfare of the people in Berrima

I ask the Government to reject this project
