This is a submission to the BERRIMA RAIL PROJECT EIS. SSD7171

I object to this project and recommend that it be rejected.

This project will have, so we are told
at least four extra trains, with diesel
engines running 24 hours a day, 7 days
a week, splicing through the township
of Moss Vale.
At night we hear train activity
from the Cement Works and on
some occasions the noise from
the shunting going on makes
it extremely hard to sleep, let
alone all of the above happening
"GOODBYE SHEEP"

I ask the Government to reject this project
