Dear Sir/Madam,

**This is a submission to the Narrabri Gas Project Environmental Impact Statement**  
I object to this project and believe it should be rejected.

I am very concerned, <sup>about</sup> the risk to our water supply and the damage to the Great Artesia Basin inflow.

Australia is the driest continent in the world. We need to protect our water.

I urge the Government to reject this project and make the Great Artesian Basin recharge off limits to coal seam gas extraction.

Signed:

*Jill Toomer*
