Attn: Executive Director, Resource Assessments
Department of Planning and Environment
GPO Box 39
Sydney NSW 2001

This is a submission to the Santos Narrabri Gas EIS.

I object to this project and recommend that it be rejected.

Due to the fact that coal seam gas
has been shown to be harmful to
humans and environment.

Research is now appearing to support
this.

I ask the Government to reject this project and make the Great Artesian Basin recharge
off-limits to gas mining.

Signed,
