Attn: Executive Director, Resource Assessments
Department of Planning and Environment
GPO Box 39

This is a submission to the Santos Narrabri Gas EIS.

I object to this project and recommend that it be rejected.

Because of the PROBLEMS that
will be caused in the Water
Table & general Environment
as one who has lived & farmed
in this area, also logging of
gypss should be selectively
continued

I ask the Government to reject this project and make the Great Artesian Basin recharge
off-limits to gas mining.

Signed,

V Matthews
