

## Narrabri Gasfield

## Narrabri Gas Project

---

The Narrabri Gas Project involves the progressive development of a coal seam gas field comprising up to 850 gas wells on up to 425 well pads over 20 years, and the construction and operation of gas processing and water treatment facilities, including:

- a central gas processing facility for the compression, dehydration and treatment of gas;
- a water management facility for the storage and treatment of produced water;
- an in-field gas compression and water management facility; and
- water and gas gathering pipelines and ancillary infrastructure.

## Making a submission

We value your input into the planning process and look forward to reading your submission. Please follow the steps below to make a submission online.

## 1. Read the Department's Privacy Statement

Your personal information is protected under the *Privacy and Personal Information Protection Act 1998* (PPIP Act). The Department collects personal information in submissions for the purposes set out in the Department's [Privacy Statement](#).

We respect your right to privacy. Before lodging your submission you will be asked to confirm that you have read the terms of the [Privacy Statement](#), which sets out:

- how personal information is defined under the PPIP Act - it includes but is not limited to your name, address, and email address;
- the purposes for which the department collects personal information; and
- how personal information collected by the department will be used.

## 2. Decide whether to include your personal information in your submission

**(a) When you make a submission we will publish:**

- ***the content of your submission and any attachments*** - including any personal information about you which you have chosen to include in those documents
- ***a list of submitters***, which will include:
  - your name (unless you request your name be withheld from the list by ticking the relevant box below)
  - your suburb or town
- ***any political donations disclosure statement***, in accordance with the [Environmental Planning and Assessment Act 1979](#) (EP&A Act).

**If you disclose a political donation point 2(b) does not apply as we must publish the political donations disclosure statement, which includes your name and address.**

**(b) If you wish to maintain your privacy in this submission process you must:**

- ***request your name be withheld from the list of submitters*** by ticking the relevant box in the form below, and
- ***not include any of your personal information*** in your submission or attachments.

We will not publish offensive, threatening, defamatory or other inappropriate material.

### 3. Fill in the online submission form

To make an online submission, please fill in the following fields. Those marked with an asterix "\*" are mandatory.

4. Disclose reportable political donations \*

The requirement to disclose depends on:

- whether your submission is about a relevant planning application, and
- the value and timing of any political donation/s you or your associate have made.

To determine whether the reporting requirements apply to you, read Parts 3 and 4 of [Disclosure of Political Donations and Gifts](#).

I have made a reportable political donation.  If your answer is 'No' go to Point 5.

## 5. Agree to the following statements

I have read the Department's [Privacy Statement](#) and agree to the Department using my submission in the ways it describes. I understand this includes full publication on the Department's website of my submission, any attachments, and any of my personal information in those documents, and possible supply to third parties such as state agencies, local government and the proponent.

I agree to the above statement ☐

## 6. Lodge your submission

Unless you agree with the statements at step five and tick the box you will not be able to lodge your submission. If you do not yet agree with the statements at step five, you may wish to read the [Privacy Statement](#) and/or remove personal information from your submission and any attachments.
