This is a submission to the Hume Coal Project EIS. SSD7172

I object to this project and recommend that it be rejected.

*The Southern Highlands is an unique place  
for people to recharge their batteries and  
relax. The impact on water is a big problem.  
Also the water used to wash the coal and  
pumped back into the mine will pollute the  
groundwater.*

*Noise:*

*The noise impact on the township of  
Berrima and surrounding villages will  
have a tremendous impact on the  
restful villages.*

*Dust*

*The coal dust which have the capacity  
to be detrimental to air quality for the  
residents of Berrima and other villages.*

I ask the Government to reject this project
