This is a submission to the Hume Coal Project SSD 7172

I object to this project and recommend that it be rejected.

My reasons for My objections are:  
\* I am a regular visitor to the Southern Highlands.  
It is a welcome escape from inner-city living.  
I enjoy + benefit from the clean air, the  
marvellous visual amenities, the joy of  
the natural surroundings, the rural setting,  
+ unspoilt physical environment.  
I am greatly concerned about  
potential + real risks to the Sydney Water  
catchment area + other water sources in  
the local area from mining activity such  
as the Hume Coal Mining project  
referred hereto.

I ask the Government to reject this project

Signed,

(DENISE HAUSMAN)
