**This is a submission to the Hume Coal Project SSD 7172**

I object to this project and recommend that it be rejected.

As a city dweller I love to escape to the Southern Highlands to enjoy the clean air.

I feel the real benefit of the visual amenity as it is most uplifting.

I would be greatly concerned about the risk a coal mine in the Southern Highlands would have on the Sydney Water Catchment area.

Please Keep the Southern Highlands Coal Free!

I ask the Government to reject this project

Signed, Gay Revie
